

KDT! Field Study Chaperone Form

Our class is going to: _____

If you would like to chaperone you must:

1. Provide proof of vaccination to the teacher or show proof of a negative PCR COVID-19 test result within 72 hours of the trip. Rapid tests are not acceptable.
2. Complete the ICSD Health Screener* no more than 24 hours before the trip.
3. Provide your own transportation to and from the field trip location.
4. You may not bring additional guests to the field trip, including other children.

In addition to agreeing to each of the above statements, you must also agree to the following:

- a) I will notify a representative of the Discovery Trail in Tompkins County if positively diagnosed with COVID-19, within 2 days of diagnosis.
- b) This Declaration of Health is considered as my consent to disclose, share, record, and store this Declaration with any relevant authority for the sole purpose of ensuring the safety and security of any and all third parties that may come in contact with me prior, during, and after time spent at the Discovery Trail site.
- c) I affirm that while I am on site at the Discovery Trail, I will fully comply with health practices implemented to mitigate the spread of COVID-19.

The primary policies include:

- Masking is strongly encouraged, indoors.
- If not vaccinated, please consider wearing a mask or face covering for the entire duration of my visit to the Discovery Trail site.
- Maintaining six (6) feet of distance between others, if at all possible.
- Limiting the number of people in rooms with me to maintain physical distancing guidelines.
- Treating others on site with respect and care.

By signing this form, I declare that the information I have given is true, correct, and complete to the best of my knowledge.
